COMPANY SUMMARY

Tinkerine Studios Ltd. designs and manufactures user-friendly award winning 3D printers and software. Tinkerine products and services are focused on STEAM (Science, Technology, Engineering, Art, Math) based education content and online training tools at the Tinkerine U platform. Tinkerine also manufactures its own line of high purity filament.

Tinkerine is focused on the 120,000 + K-12 schools (60m students) 4700 post secondary institutions (20m students) in North America.

Tinkerine is providing a complete end-to-end solution for schools comprised of online training and education content. In addition, we are building out and supporting a world class dealer network.
